We are committed to provide all types of services such as Manpower for secondary services, packing at logistics, Housekeeping and Security Services to any type of industries, Hospital, Banking sectors and Government sectors, House or Business at affordable rates. We believe in our 12 years of working experience and our modern facilities infrastructure that never disappoint to any client.

### Infrastructure:

Our organization will be counted among worlds the best and modern service provider w the state-of-the-art infrastructure, which is assisted by the team of Qualified and Expert consultants. With our in-depth knowledge and Skilled Manpower. We have placed ourselves as a leading company in the market. We offer our personnel through selection process and provide the best personnel to our customers that suit to the requirement of our clients.

**Mission:** We are provide the finest employees to our clients and to uphold a Quality standard on Manpower handling and Servicing clients, Canter on integrity, Social Responsibility and Excellent Customer services and taking utmost consideration of both our Manpower and our Esteemed Clients.

**Goals:** In order to meet the challenges, **SHREE DHARMASTHALA CORPORATE SERVICES PRIVATE LIMITED** will:

1. Provide a high level of labours and employment.
2. Provide in the needs of the company/clients and the employee
- 3.
- 4.
5. To operate locally and within the future nationally to the best of our knowledge and expertise.

**Business track record:** With our 12years of involvement in the business, **SHREE DHARMASTHALA CORPORATE SERVICES PRIVATE LIMITED** has developed prominent and respected position in the foreign recruitment market in Karnataka and all over India. During this time, we have built a considerable member of candidate's database as an excellent source of talents.

**SHREE DHARMASTHALA CORPORATE SERVICES PRIVATE LIMITED** was born out of the belief that recruitment could delivered so much better. We deliver what we say, and we seek to be the best in all trades of employment. It's our focus at **SHREE DHARMASTHALA CORPORATE SERVICES PRIVATE LIMITED** services are attentive and rigorous; we attract best candidates and get a lot of referral businesses, creating a high-quality talent pool for recruiters. We keep in touch with our candidates too, meaning you see potential employees that are better-prepared and more proactive.

We take very seriously the fact that we're representing you when talk to candidates, when advertise and market. We take time to learn about your organizations so that we're able to do this as professionally as possible. It's as approach that's helped us with international reputations for class. Honesty, integrity an expertise.

**Why we are the Best:** Our expertise includes recruitment of support staff, customer service/ administrative staff, activators, business relationship officers, technical staff, general and line managers. We are popular among the youth as we have managed to extremely qualified candidates with university degrees and college diplomas.

We are without refute the best because we have consistently reduced time frames and speed of response as we begin to work on the assignment immediately after we get the requited specifications from the clients. Out sourcing offers an independent perspective hence allowing a fair recruitment process, we guarantee a fair and equal opportunity recruitment process. Our costs are significantly lower that an in-house team which would in care high advertising costs. Personal costs and lack of guarantee that the candidates hired are the best, we provide the guarantee of the candidate in our selection process.

**Manpower staffing:** Recruiting is the buzz word of the time. After your academics the main tension that you carry whether you will be in the right job and the right organization. Many a times you fail to get the right direction or an organization fail to have the right candidates. Now with time there has come up various budding manpower supply organization or which you can say help your organization get the most efficient people. Thus, manpower service companies are doing brilliant job in this sector.

**Importance of manpower supply services:** At this competition of corporate war every person is trying his or her best to be placed in the right organization and every good company to maintain their standards are working to get the right manpower supply.

**Competent staff/team:** As we reward and develop our own staff well, they stay with us for as long as the other industry average. This means you get a better, more sustainable relationship with us and your staffs don't have to get to know new team members all the time. Our employees are incentivized, which further cements their long- term commitment to us.

**Valued Clients: Client's driven, to be the best:** Achieving success from the very beginning has made us complacent as an organization. We are constantly aligned to our valued clients' requirements, interests and satisfactions. Commitment to our client's satisfaction is reinforced by our policy of '**value for money**', of covering not just agency fee competitiveness, but also, quicker response to client requirements. Our clients range from small business enterprises to multinational companies in need of Indian manpower.

We also believe some of the best ideas come from our value clients. As a result, we conduct regular analysis and monitor of client's profiles, their requirements and satisfaction levels. This has enabled us to deliver even higher standards of quality manpower services, with a personalized approach, resulting in mutually rewarding and lasting relationships. It's a matter of pride that our valued clients have trusted us for over one and half decades. Our valued clients have to merely pick-up the phone or send as an e-mail with their requirements of manpower. Our full-fledged office set-up with our dynamic team will provide a complete solution in short time possible.

#### **Our values:**

1. Placing our valued clients first-we don't do just business; we build quality relationships.
2. Providing professional excellence.
3. Integrating the human elegance.

**Management philosophy:** Conduct the affairs of the company in an efficient manner by striving for excellence and protecting the interest of all our clients and employees.
